## Who We Are

Menjong Sorig Pharmaceuticals Corporation Limited (MSPCL), a DHI owned company is the premier manufacturer of *sowa rigpa* based traditional medicines as well as natural herbal-based health-promoting supplements, cosmetics and nutraceuticals. We manufacture high-quality herbal products by combining modern science and technology with ancient art of healing. We are the sole supplier of essential traditional medicines to all health centres in Bhutan.

## Our Business Approach

We believe in engaging the local communities to ensure long term survival of medicinal plant species and prevent negative impact on the environment through sustainable practices. We source more than 200 species of medicinal plants from the wild with the help of local communities, bringing direct benefits to the people who collect, grow and supply them.
